Dear Sir:

Enclosed is a copy of a letter which was sent to you from this office on September 22, 1971. The letter clearly states the three required forms which are necessary if you wish to be considered for a student deferment.

You, however, returned only two of the forms--the Student Status (returned on September 30, 1971) and the certificate of enrollment (on October 5, 1971.)

Since you were apparently eligible for a student deferment, a second SSS 104 was mailed out as an accommodation to you.

Local Boards do not solicit information, it is the duty of each registrant to be aware of his obligation and to keep his board informed of all information vital to his classification.
